**Support** ♦ Your animal companion supports you. You gain the benefits listed in the companion type's Support Benefit entry. If the animal uses the Support action, the only other actions it can use on this turn are basic move actions to get into position to take advantage of the Support benefits; if it has already used any other action this turn, it can't Support you.

**Support Benefit** The bird pecks at your foes' eyes when you create an opening. Until the start of your next turn, your Strikes that damage a creature that your bird threatens also deal 1d4 persistent bleed damage, and the target is dazzled until it removes the bleed damage. If your bird is nimble or savage, the persistent bleed damage increases to 2d4.
